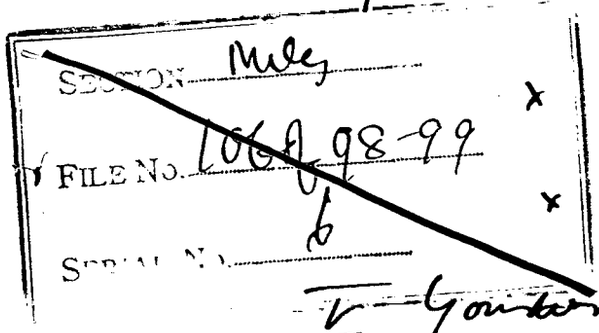
The Sowar Lines west of this Channel
have been handed over to the
Railway Police

Extract from A.D.O Dy 21-6-99

My Dear Desroy Wo.



I Gontsrole to me Officially regards the Barr Barracks.

The present idea is that the Barr should be retained, and improved so that there is no necessity for any reconsideration of question as far as necessity for Barracks goes

But in many instances the present sites have been proved unhealthy and are moreover contaminated with Plague and the Deman would wish the Sanitary Commissioner Consulted in each instance, where new erections are to be made and even in some cases where repairs are very considerable, before the P.W.D are allowed to Commence work

Gontsrole

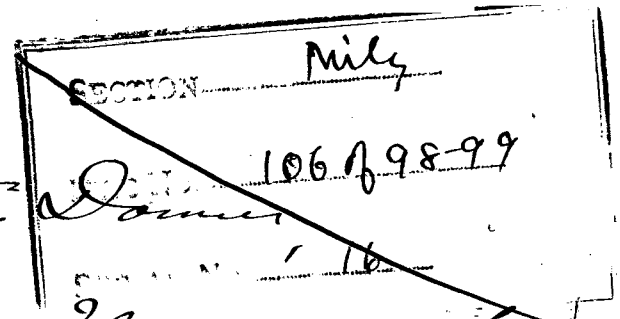
Yours faithfully
J Desaraj Iyer



My dear Mr. Donner

There are 70 huts in the lines in question and two lines are being built on the Vacant piece of ground in front of the Railway Police, so there won't be any room for any more huts. The lines were handed over to Mr. Strathenbye in 1898 who in turn handed them over to the City Police

The huts are occupied as follows.

10 huts by our men
43 " by City Policemen
4 " Vacant.
13 " by outsiders

70.

Yours Sincerely,
H. Cumper

SIR,

In forwarding herewith copy of letter No 38 d/ 30th January last from the Superintending Engineer Eastern Circle requesting to be informed if the project sanctioned for reconstructing the old Barr Lines at Bangalore is to be wholly or partially abandoned, I have the honor to request that you will be good enough to communicate to me at an early date the Resolution of Government regarding the same so that should it be decided to construct the huts the work may be commenced soon to enable the Regiment to shift to the lines from the camp before the rains set in.

I have the honor to be

Sir,

Your most obedient Servant

J Bruce Lieut Colonel
Chief Commandant
Mysore State Troops.

Extract from the Proceedings of the 168th meeting of Council dated 17th December 1898.

1. That the Military Assistant and the Inspector General of Police be requested to prepare and submit for the orders of Government as Early as possible a joint Scheme for the revision of the State Police in accordance with the following decision of Government.

"After the most careful deliberation, the Mysore Government have arrived at the following conclusion, which in their opinion are of a most urgent nature and should be carried into effect as quickly as possible in Consultation with the British Government.

"(1) The Police of the State should be re-organized and their number increased so as to provide for efficient results and so as to be able to entrust to them the duties of guarding of Treasuries and Jails, and the escort of treasure and prisoners, the Barr being relieved of these duties and a corresponding reduction made in their number.

"(2) A sufficient reserve should be maintained in each District, if possible, but at all events at convenient centres, to put down all

all roads and local lines of communication, and in a fit state of preparation and ready for concentration for extraordinary emergencies. The reserve thus maintained will be a part of the District Police Force and will be available for the ordinary duties of the Police including those of Guards and Escorts as above referred to.

"(3) In addition to the District Reserves, a special reserve should be maintained for duties of Semi-Military nature and

"(4) Both the District and Special Reserves should be armed with breach-loading fire-arms."

And that in drawing up the scheme in accordance with the above decision the Military Assistant and the Inspector General of Police will as far as possible be guided by the Police System of the neighbouring Presidencies of British India as regards Equipment of the Force, the regulation of its duties &c.a.

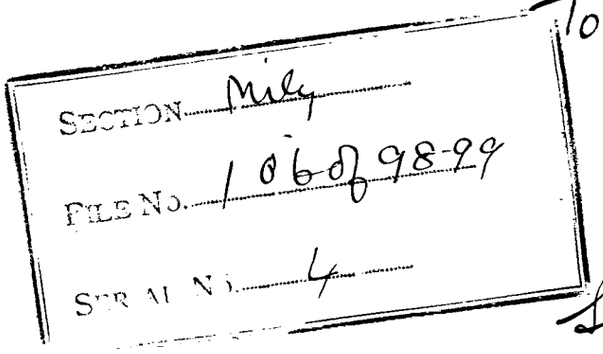
Bangalore 13th March 1899



To

The Chief Engineer
of Mysore

Sir,

With reference to
Your No 1211 of the
4th Instant,

I have the honor
to express my regret
at not being able
to give a more
definite answer
than is contained
in my letter No 1292
of the 28th ultimo -

It appears to me
from the Correspondence
kindly submitted
for perusal that in
view of the possible
reduction of Barracks
the Dewan wishes
to know
(1) what works are
at present under
Construction -

1 2 1

(2) what the proposals are at present (ie the proposals for works made previous to the Proceedings contemplating Reduction)

Item (1) can I think be easily supplied by your office, and Item (2) includes all Lunacharie & proposals, and these too, it is thought must be in your Office

As regards the question of site, it is impossible to answer definitely until it is known whether the Lines are for Barr or Police, in the latter case the Inspector General of Police should be consulted -

Military Assistant to the
Government of His Highness
the Maharaja of Mysore

Sir,

I have the honor to inform you that the Barr Lines at Bangalore are situated in a congested and most unhealthy part of the city - In fact this is the portion of the city in which the Plague generally begins every year. The drainage in the Lines has been improved and all possible

possible attention is given to the Sanitation of the places, but as the locality is bad, there has not been much improvement in the health of the men. In 1898 when the plague first made its appearance at Bangalore I proposed the removal of the Infantry from this place and recommended the construction of new huts for them near the lines of the Transport Corps. The idea was approved and the late Sir Seshadri Iyer even selected the Site, but the matter was put off. I think, owing to want of funds. In view of this I deferred the proposal to Construct 310 new huts in the present Barr Lines for men who have been living in the city for want of accomodation.

Now that the lines for

SECTION Mily

Lt.-Colonel J. Desaraj Urs.,

FILE No. 106 of 98-99

Chief Commandant Mysore State Troops,

S. . . . 14

Sir,

In acknowledging the receipt of your letter No.C.561 dated 29/30th June 1903 I have the honor to inform you that the Lines of 4 Divisions of the Imperial Service Transport Corps have been built at Munireddypalyam and the Lines of the fifth (or carriage Division) have been erected on the site of the Old Sowar Lines, East of the Dharmaraja Tank Feeder Channel. The Old Sowar Lines West of this channel have been handed over to the ~~Railway~~ Police.

There is consequently at present no available ground on the sites pointed out.

On sanitary grounds, it would be well to leave the present spaces around the Imperial Service Lancers and the Transport Corps free from habitation.

I would suggest that perhaps the present Barr Parade Ground could be utilised for huts and the site of the present huts could be levelled and used for a Parade Ground? or possibly a site for new Barr Lines could be found above His Highness' Polo Ground on the "Muntapam" side of the Yellahanka Road.

I have the honor to be,

Sir,

Your most obedient servant.

R Jones Lt.-Colonel

Military Assistant.
